During the month of November, the FHPD will be finalizing the administrative portion of the Surveillance Camera project. On Wednesday, November 30, 2011 at roughly 12 noon, the FHPD as well as the PGPD responded to the 100 block of Rolph Drive for a report of a Home Burglary in progress involving 3 male subjects. Upon arrival, 3 males fled eastbound across the back yard of the property. All 3 males (2 adults and 1 juvenile) were apprehended roughly 2 blocks away from the scene of the crime. All 3 males were criminally charged with 1st Degree Burglary. Please be advised that southern Prince George's County has sustained a rash of purse snatchings from vehicles as the female victims refuel at various gas stations. Ladies please be reminded not to leave your purse on the front seat or in sight as you refuel your vehicle. The Men and Women of the FHPD would like to wish all a very safe, happy, and prosperous holiday season as we look forward to "Moving Forward" into the new year.

Letter from Mayor

Greetings to All,

My holiday wish for the Town of Forest Heights is that we will keep those who are less fortunate in mind during this season. That we remember we can rise above any adverse situation by being kind to others, having a positive attitude and a thankful heart.

I would like to go into 2012 remembering a quote by Ralph Waldo Emerson "Finish each day and be done with it. You have done what you could; some blunders and absurdities no doubt crept in; forget them as soon as you can. Tomorrow is a new day and you shall begin it well and serenely". Praying that as a community we can begin to work together to help make Forest Heights a town that others would like to imitate.

Peace on Earth and Goodwill to All Mankind.

Mayor Jacqueline Goodall

Greetings Neighbors,

As December is once again upon us and we are looking at a New Year around the corner, I would like to thank each and everyone who has made a positive impact in Forest Heights and in life. It takes but a second to just say a kind word, lend a hand, or even an ear. It is easy to take for granted the things in life that we may not directly have a hand in. We should all cherish each moment and make the most positive impact in all that we do. 2011 has been a busy yet productive year and I look forward to 2012 being an even more prosperous and positive year. I encourage all of my neighbors (Forest Heights resident and all who read this) to do the same and to take a moment to reflect. We ALL can make a difference! Have a safe holiday season and a wonderful New Year!!

Your Councilman,

Jonathon Kennedy II

I commend Mayor, our entire Forest Heights' Police Department, Public Works, Administrative Staff, Councilman Barnes and Ms. Kathy Clark and her grandchildren for putting together a wonderful Halloween function for the kids. There was a surprising turn out and all had fun. Anyone who has an idea or would like to help in future event, please feel free to contact the Town Hall to see where help is needed.

Councilman Jonathon Kennedy II

Merry Christmas

FROM THE TOWN EMPLOYEES

THE EMPLOYEES WISH ALL OUR RESIDENTS A MERRY CHRISTMAS AND HAPPY NEW YEAR. WE ARE PLEASED TO SERVE YOU AND EXPECT TO IMPROVE OUR SERVICE TO YOU DURING THE COMING YEAR. DURING THE PAST SIX MONTHS, MUCH HAS BEEN ACCOMPLISHED AS THE MAYOR, COUNCIL, EMPLOYEES AND CITIZENS COLLABORATED TO MOVE **FOREST HEIGHTS FORWARD**. THE COMING YEAR WILL BE CHALLENGING AS WELL. THE EMPLOYEES BELIEVE 2012 WILL BE A JOYFUL, PROSPEROUS, AND PRODUCTIVE YEAR IN FOREST HEIGHTS AS WE CONTINUE TO BE A TREND SETTER IN PRINCE GEORGES COUNTY. National Christmas Tree

Christmas trees started in the Middle East. Americans saw their first Christmas tree in Pennsylvania during the Revolutionary War. About 1777 prisoners-of-war decorated an ever-green tree in their Carlisle Barracks. The National Christmas Tree of the United States started with a committee meeting in November 1913. President Woodrow Wilson took a great interest in the planning and decided this will be a national event. Evening of December 24, 1913, over 20,000 people including dignitaries and elected official gathered at the East Portico of The United States Capitol to celebrate with family and friends by watching the lighting of the First National Christmas Tree. Entertainment included the United States Marine Band, thousands of local choral groups and actors in costume posing in a series of tableaux depicting the Christmas story. One of the most popular yuletide sights is the National Christmas Tree lighting, located in the northeast quadrant of the ellipse. The vent is still celebrated with entertainment, lighted trees from each state and live animals.

Thought—Share and spread your Christmas spirit year around.

FOREST HEIGHTS LEAF COLLECTION PROGRAM

Once again we are approaching the leaf collection season. Help us keep our Town looking sharp and we will all benefit.

Remember:

Yard waste will be collected only on Wednesday

The yard waste may be set out Tuesday night or early Wednesday morning

Residents will be cited if the yard waste is set out at other times

Leaves must be bagged

Please **do not** place or blow leaves and grass in the street or storm drain

Residents are urged to keep up with the leaf collection on a weekly or bi-weekly basis

Leaves can be a healthy compost for your garden, especially if using an outdoor composter

Leaves left on the yard are unsightly, hard to clean up in the spring and can suffocate the grass.

Branches must be cut into lengths no longer than 4 ft. and Bundled

Thank you for helping us keep our Town Looking Sharp!
